Healing Explosion at HOTF Banquet

On February 20, we held our first-ever Heart of the Father Ministries Banquet. Our desire was to have more than just food and fellowship. We were not disappointed. After a lovely meal hosted by Redeeming Love Church, our home church, we moved into praise and worship led by our son, Daniel Nichols. This was followed by the healing ministry of HOTFM board members Jim and Ramona Rickard. While Jim was ministering healing to people with back problems, Ramona called out a word of

knowledge for healing of hips. One man came up to the front and declared he had just received a hip replacement. Another man who had driven four hours to the banquet, and had to stop four times because of the pain in his hip, was completely healed sitting in his place. He drove home without stopping with no pain in his hip! Next we received words of exhortation from Pastor Mark Thompson of Coal City, IL and from Pastor Jarry Cole of Minneapolis, MN. These two men have accompanied me on trips to India and Africa more than anyone except my wife, Sherry. Sergio Scataglini, international revivalist, brought the Word with fire from Exodus 13. He challenged us to be ready for the spiritual battle by being holy. He showed how we cannot be victorious against the enemy if our hearts are constantly desiring to go back to Egypt. But as our affections and passions come subject to the Kingdom of God and to the Cross of Christ, we find a new strength to rise up to contend against the enemy. The evening ended with a powerful time of prayer ministry around the altar, and many were touched mightily by the Spirit of God.

HOTFM Banquet Highlights

At left, Sergio Scataglini ministers the Word at our HOTFM banquet. His ministry in the Spirit that night took us all to a higher level in Jesus!

At right, the man whose hip was healed walking without his cane. In the picture above, you can see him walking, in response to the word of knowledge, with his cane. Jesus is the mighty healer!

Healing Testimonies from the USA

These three young men were all healed at once, in the back row of the church in Le-Mars, IA. One was healed of extreme pain in his head, the second of scoliosis which hampered his walking, third of food addictions.

This woman had knee replacement surgery which left her leg shorter than the other. During the prayer time, she felt her muscles stretching as her leg was lengthened while she was standing in Waupaca, WI.

This young man was legally blind. At the altar, in Worthington, MN, he handed me his contact lenses and stated that he would be healed. He was delivered of several oppressing spirits, and was instantly filled with the Holy Spirit!

Healing Breakout at Calvary Baptist Church!

On January 18-21, Dr David Nichols ministered at Calvary Baptist Church in Madison, MN, pastored by Ed and Pat Williamson. There was a remarkable response to the gifts of the Holy Spirit and to the love of the Father. The church was nearly full each service as the power of the presence of Jesus just kept on doing amazing things. One was the healing of a teenage girl named Brooke. She had been in pain for years, and could not even walk up steps. The doctors, not really knowing what to do, were treating her for muscular dystrophy. She was completely healed as pain went down the drain!! She now plans to answer the call of God on her life.

This young lady came to the meeting with depression. She was loved by the Father. Anger and fear were replaced by love, and now her whole outlook is different!

This lady had a tumor on her shoulder that caused pain and numbness. Now she is completely healed!

Please Pray... Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

Signs and Wonders Point to Jesus!

Several healing encounters recently have shown the power of God in unusual ways. In Aurora, IN, while we were doing healing on the cellphones, the worship leader called his sister in Florida. As the healing prayer went forth, she exclaimed that her hands were hot. Her brother told her to put her hands on her abdomen, where the problems were. She did, and was completely healed! In Gallipolis, OH, we were also doing healing on the cellphones. A young lady was there from Kenya, whose mother, in Kenya, was very ill from malaria. When the time came to call, she decided it was too expensive, and instead texted her mother that healing prayer was happening. She held up her phone as though a call was connected, but she had only texted. We just received the report that the mother is totally healed in Kenya. Hallelujah!

Church secretary Bev was overcome by the love of the Father. She fell to the floor and experienced waves of inner healing and restoration in Waupaca, WI

Pastor's daughter Olivia was healed of food allergies and can now eat citrus foods without hesitation

Tracy had two cysts in her shoulder and a torn rotator cuff. She could not raise her arm without pain. Here she is raising her arm after being completely healed in Aurora, IN

Next Overseas Mission: Ghana

On April 20, 2009 Dr David Nichols will depart for Ghana, W Africa with a team of six people. By God's grace and mercy, we will conduct a crusade in the village of Chaana, and a pastor's school in the city of Navrongo.

Hundreds of people repenting at our crusade in Kahama, Tanzania, Sept, 2008

This northern part of Ghana has a population base of 90% Muslim. We believe that Jesus will come in power to save, heal, and deliver. Please pray for the mighty outpouring of the Holy Spirit, who is our great Comforter and Guide. We believe that thousands will come into the Kingdom as healings and miracles show who Jesus really is. We need your help in finances, as well. Will you prayerfully consider giving a gift today which will help us reach the total of \$12,000 which is needed for this ministry? We believe that Heart of the Father Ministries is fertile soil for the sowing of your seed. Last year, we saw 93,855 souls come into the Kingdom in our foreign crusades. We want to see even more come in during 2009! Thank you for your generous support!
