

Each night he got stronger and stronger...the last night he walked by himself...

2300 Saved in Northern Ghana!

On April 22-25, 2009, Dr David Nichols led a team of six people to minister in northern Ghana. The crusade in Chaana was fruitful, with 2300 people coming to Jesus in four nights in this town of 1500. The lame walked, the deaf heard, the poor had the Gospel preached to them (Luke 4:18). One of the testimonies is from a man who at the age of 72, had been on crutches for 15 years. At the end of the meeting, the first night, I prayed for him, and

Dr David Nichols prophesying to the pastors of Navrongo, Ghana and their entire region

led him in walking around without his crutches. Each night he got stronger and stronger as our team ministered to him. On the last night, he walked by himself in front of the whole crowd. It was amazing! A deaf man named Antione received his hearing right on the platform, and began repeating whispered words back to the interpreter. After we finished the last meeting, with hundreds repenting of their sins, the announcement was given for a brand new church to begin at this site the next morning, which was Sunday. The next morning, dozens of new believers came together to worship Jesus, pray, and hear the Word. This new church is thriving and growing each week as God gives the increase.

Healing Testimonies from the Detroit, MI area

On May 10-13 Dr David and Sherry Nichols ministered at New Song Community Church in Wolverine Lake, MI, pastored by Brent & Debbie Hanson. God did many wonderful things in those days, including many healings on the cell phones. Pictured in center below is Eyena, with Sherry. Eyena received a call from Pastor Brent while we were doing healing on the cell phones. A wave of power hit her, and she was completely healed!

Pastor's wife Debbie testifying of the healing of her leg below her knee, which had been in constant pain. As prayer went forth from the front, pain went down the drain!

Eyena, pictured here with Sherry, had excruciating pains all over her body. As she listened to healing prayer coming over the phone, she was completely healed. She has strength now to do daily activities.

This is Lori, who was healed of glaucoma. It just so happened that she had an eye appointment the next day, and so her healing was verified by her optometrist!

International Healing Conference

On October 7-10, 2009 Resurrection Apostolic International Network (RAIN) and Redeeming Love Church, Maplewood, MN, will host the International Healing Conference. On Wed, Oct 7 Argentine evangelist Carlos Annacondia will be the speaker for a powerful healing service at 7pm. Other speakers include Dr Chauncy Crandall, a cardiologist who is raising the dead in Florida, Apostle Ian Andrews, Prophet Mickey Robinson, and Dr David Nichols. For more info visit www.rainministries.org or call 763-566-7411. Co-hosts of this event are: James and Ramona Rickard and Mike and Sandi Smith. We'll see you there!

The Proof of the Gospel

What is the proof of the Gospel? Is it eloquent words alone, carefully crafted to bring a message to people in a certain cultural setting? Or is the proof of the Gospel the signs, as healings, miracles, and deliverances from evil spirits, that Jesus has given us to do? In I Corinthians 2:4,5, the Apostle Paul said, "And my speech and my preaching were not with enticing words of man's wisdom, but in demonstration of the Spirit and power: that your faith should not stand in the wisdom of men, but in the power of God." In John 5:36 Jesus said, "But I have greater witness than that of John (the Baptist), for the works which the Father has given me to finish, the same works that I am doing, bear witness of me, that the Father has sent me." These works that Jesus was presently doing are the same works he told his followers to do every time he commissioned them: heal the sick, cast out demons, announce the arrival of the Kingdom! A gospel of words alone shows the powerless state of the Church in the western world. But God is as willing to heal in the USA as He is in India; He is as willing to deliver in Canada as He is in Tanzania! The real question is: what do we expect? When people come to us to be healed, do we expect that Jesus will heal them through us? Or do we go through a religious ritual that denies the power of God? (cont'd page 3)

Proof of the Gospel, con't

I know that miracles do not stand alone in the Kingdom of God, and I know that there are false miracles that lead people away from God. The New Testament warns us clearly about this. But our problem is not too many supernatural signs, the problem is not enough supernatural signs. When the true biblical proclamation of Jesus is accompanied by signs and wonders, which cannot be comprehended or produced by the human mind, the power and love of the Gospel is established. According to Jesus' words and the record of the book of Acts, this demonstration of power is available to all believers. Jesus did not limit the release of His power to come only through the twelve apostles. In Luke chapter 10, He commissioned 70 precious believers to heal the sick and cast out demons. By the time of Acts chapter 2, the number became 120 people who were immersed in the Holy Spirit, and who began to do what Jesus told them to do. Leaders and church people, it is time to rise up and return to the basics of the love and power of God, demonstrated directly into the lives of hurting people. They will follow Jesus, if we show them who He really is! Below are some pictures that show the demonstration of God's power to Chaana, Ghana. The pictures are dark because we didn't have as much physical light on the grounds as we usually do.

This woman could barely walk, the pain in her legs was so bad. Here she is running on the field.

The young man in center was completely delivered of epilepsy

Antione, receiving prayer for deafness. Moments later, his ears were opened, and he gave the glory to Jesus!

Rwanda needs the Gospel

I am excited to announce that we are going back to East Africa in September. First we will do a crusade and pastors' school in Bukoba, Tanzania. We believe thousands will come to Jesus. Then we will walk through a door that has been opened by the Lord Himself. The nation of Rwanda is still languishing in the shame and guilt of the genocide that happened 15 years ago. By God's grace, we will minister the power and love of Jesus in a crusade in the Kayonza district of Rwanda. Once again, we believe thousands will come to Jesus, the Deliverer. We need your help to pray for these vital outreaches that will occur between Sept 21 and Oct 7, 2009. We also need your financial support as never before. The raw cost of the crusades and pastors' meetings alone is over \$21,000. There are other costs (plane fares, visas, food, and hotels in E Africa) which register in the thousands of dollars. I am asking you to sow a seed today which will bring forth fruit in due season. These last days of this present age are the time of harvest. "Others have labored and we have entered into their labors." (John 4:38) With your help, we will not miss this time of acceleration of harvest here at the end of the age. Blessings on you!
