Pursuing God in Beulah, ND

Dr David & Sherry Nichols ministered the gospel of the Kingdom at the Pursuit of God conference on May 6-9, 2010. The conference was hosted by Pastor Ron and Julie Enget at New Life Worship Center, Beulah, ND. We shared ministry with Prophet Bobby Conner. There was an amazing intensity of the Presence of the Father and the Son by the Spirit. Many people were healed in their bodies. Many others received the Father's love at a whole new level. A visiting pastor was undone as the love of the Father began erasing hurts and pains of the past, and showing him his worth and value as a son of the Father. The response from the people to the ministry was tremendous, with many flooding the altars to draw closer to Jesus. People were also healed over the cell phones as we released the healing ministry by that means. Several testimonies are included below. We believe that God is getting ready for something big in America. He is going to move in power, with hundreds of thousands weeping in repentance at altars. Healings and miracles will be the norm, not the exception. We thank God for the taste of that at the conference in Beulah. The Kingdom of Heaven is at hand!!

Healings on the Cell Phones

While many people were being healed in the house at the Pursuit of God Conference, Dr David Nichols led in healing on the cell phones. Some amazing things happened. A woman named Sue was called by her friend during the meeting. She had a painful bladder infection. As she received the call, that part of her body became warm, and she knew she was being healed. All her pain left, and she began rejoicing in Jesus! A man named Tim was recovering from cancer surgery with difficulty. His pain left completely as the power of God came over the phone. A woman named Joan was thrown back by the presence of God as she answered the phone. All her pain left her lower back.

Do Healings Last?

Many people wonder if healings that they receive in conferences and church meetings will last over the long haul. We believe that the work which the Great Physician does on our bodies is a good work. It is certainly possible for Satan to lie and defraud someone out of a healing they have received. But Jesus' plan is for the person to walk and live in their healing for the rest of their life. The key to maintaining the healing you have already received is to resist the devil in obedience to the Scripture in James 4:7. Your continued submission to God will require that satan flee from you. You were healed by Jesus through faith. You keep your healing by the same faith extended into the ongoing present moment of your life. During the last few weeks, I have encountered an unusual number of testimonies from people who were healed or delivered a year or more ago, and they are still enjoying their healing from Jesus. Be blessed by these testimonies!

At left, Chris is testifying of his healing and deliverance from prescription drugs. He went to his doctor and told him he was off the drugs. The doctor told him he would go into depression and have no energy. Here he is, one year later, with no depression and all kinds of energy.

At Christian Life Assembly in Coal City, IL, Joy is testifying of her deliverance one year ago. She had suicidal thoughts and tried to kill herself many times over the years. She is walking in peace with Jesus.

At right, pastor's daughter Mariah is telling of her healing she received in our meeting in Redwood Falls, MN nine years ago. She had warts all over her body. After prayer, all the warts went away, and she has none now. She is living in her healing by faith in Jesus in Fort Dodge, IA.

At right, Skip testifies of his healing from emphysema last summer. He had worn an oxygen tube for four years. Last June he was completely healed and here one year later he is walking in his healing in Hibbing, MN.

Please Pray... Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

Healings Here in the USA

This young girl is demonstrating the healing of her fingers. They were curled up and she could not extend them, but Jesus healed her.

Janet testifying of her healing from diverticulosis. She was standing during the general healing prayer when all the pain and symptoms of the disease left her.

Pastor Steve Nordyke, Sherburn, MN, testifying of his healing of back pain from an injury. He also received an inner healing from an over-attentiveness to time, always looking at his watch. He is more peaceful and relaxed now.

Unbelief: In the way of healing

There is more teaching about unbelief in the Bible than any other blockage. Unbelief can stop salvation, healings, miracles, if we allow it to do so. When Jesus appeared to the 11 disciples in Mark 16:14, even though He was standing in front of them in His resurrection body, He found it necessary to rebuke them for their unbelief and hardness of heart. Faith moves the hand of God, but unbelief stops it. I believe this is why it is so important to be childlike in our faith. Jesus said in Matthew 18:3, “unless you are converted and become like little children, you will by no means enter into the kingdom of heaven.” Little children believe what they are told, and they act upon it. Try it with your young children or grandchildren, and you will see what I mean. When we take this posture as children of our Father, we defeat unbelief. By doing so, we position ourselves to receive healings, miracles, restorations from the hand of our heavenly Father. I encourage you to pray like the man who brought his son to Jesus, “Lord, I believe, help my unbelief!”

Reaching the Lost in Africa

Sherry and I will be traveling to the nation of Benin to minister in an International Healing Conference from August 25-29. We believe the capital city of Cotonou will be shaken by the power of God. Please pray for us during this time. We are returning to Tanzania to conduct a crusade in the city of Bunda. This event will happen Sept 20-27, 2010, by the grace of God. We believe that thousands will come to Jesus in Bunda, and we need your help in prayer and finances. Would you begin praying for the city by name, and ask the Father for healings and miracles to point the people to Jesus? Would you also consider sending a substantial gift at this time to help us? We still need over \$11,000 to meet the need for the expenses in Bunda. Please use the form on the back, God bless you
