1189 Souls in Burundi and Rwanda!

Hundreds of people repenting of their sins at Gahini, Rwanda on Father's Day, June 19, 2011

In June, Dr David Nichols led teams to Burundi and Rwanda, East Africa. In Gitega, Burundi, we held meetings for five nights, battled against rain and hail, and saw many healings and miracles. Our pastors' conference was a great inspiration for the Christian leaders of Gitega. We went on to Rwanda, where we met the rest of the team. Our main meeting there was on a hill-

side in Gahini, the site of an historic revival that happened in 1929 and again in 1935. The team preached and ministered to thousands at five different locations in eastern Rwanda.

Healing Outbreak in Wisconsin!

From July 1-3, Dr Nichols and Sherry ministered at Assembly Park Camp in north-western Wisconsin. There was a great level of expectancy under the leadership of Pastor Gary Bell. Many people were touched with both inner healings and miracles in their bodies, as well. Here are some of the testimonies.

At left, this man had eczema on the skin of his arms. Here he is testifying of his complete healing from that disease as he came expecting to receive from Jesus!

Below, several people entered into deep repentance under the conviction of the Holy Spirit.

At right, this young lady had arrhythmia and a racing heart-beat. After prayer, she was completely healed. Now God is speaking to her about ministering to people.

Healings & Miracles in Gitega and Gahini!

There were so many healings and miracles in both Gitega, Burndi, and Gahini, Rwanda that we could not take all the testimonies. Here are some of the mighty works of Jesus among the people in those two places!

Above, this young lady could not see clearly for a long time. Jesus healed her, and here she is counting the fingers from a distance of fifty feet.

Above, this woman had severe stomach trouble and could not eat much at all. Now she is able to eat anything after being completely healed.

Above, this lady had malaria and went to the doctor. Although she did everything he said, she did not get better. After prayer at the meeting, she was completely healed.

At left, this woman responded to a word of knowledge given at our pastors' school. Here she is testifying of miraculous restoration of her leg which had atrophied to half its normal size because of an accident.

At right, this young girl had pain in her eyes and blurry vision. She was completely healed, and could see clearly. She was also healed of epilepsy. Thank you, Jesus!!

The Keeping Power of Jesus

Right after returning from Africa, we went to minister at Warroad, MN. I remembered a young man named Tigh, who was saved there five years ago. He was completely set free from satanism as he had an amazing encounter with the love of the Father. I really wanted to see him, and on the second night of the meetings, he walked into the church! At right, here he is, testifying of the amazing grace of Jesus, and the power of God to keep him from all forms of the occult and demonism during these past five years! Jesus, You are King!

Please Pray... Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

How to Have More Faith

Every believer who loves Jesus wants to have more faith. After all, it is faith that moves the hand of God in healings, deliverances, and salvation. Many times in the Gospels and Acts, Jesus or the apostles say, “As your faith is, so be it unto you!” And the person receives their miracle. Faith is awesome because it attracts the attention of God Himself. But there is something greater than faith. If you have been discouraged by what has not been happening through your faith, please read on. In I Corinthians 13:13 it says, “Now abide faith, hope, and love. But the greatest of these is love. This means that love is greater than faith. This is very important to grasp, because love has a power that faith does not have. The opposite of faith is fear. These two are in conflict with each other constantly. Where faith is, fear cannot be, and likewise, where fear is, there is little or no faith. Usually when we understand this, we try to manufacture faith. But there is a better way. It is actually a more excellent way, faith working by love. In I John 4:18 it says, “...there is no fear in love, and perfect love casts out fear.” The best thing you can do is yield to the downflow of the Father’s perfect love from heaven. Let His love fill you. He accepts you as His child, He is for you, not against you! Thank Him each day for the little things, the things we often take for granted. The perfect love you need is not available on earth, so stop frustrating yourself by trying to find it there. Good, well-intentioned people, even those who love you will fail you because they cannot love you perfectly. But your Father in heaven can, and His love has the amazing ability to cast out fear. When fear is cast out, faith rushes in to fill the void that has been created. Imagine how different your life would be with fear completely cast out! I believe that is why in the Bible we are told 76 times - fear not! You are loved more than you can realize in this earthly body and soul. But when you let perfect love enter your soul, your mind and thoughts, faith rises, and you trust the Father and Jesus, who opened the door for all this to happen. So instead of striving for more faith, relax and let yourself be loved from Above. As you feed on the Word, let God speak to you personally. He will communicate love to you that is perfect.

Preaching the Gospel Strategically in Tanzania

During this last trip to Africa, I was powerfully reminded of the strategic nature of our work of crusades and pastors’ schools in Western Tanzania. The Muslims have targeted this area of Africa because they believe if they can prevail in Tanzania, they will be able to eventually claim Africa as the first Muslim continent. They have millions of dollars at their disposal from Saudi Arabia and Oman. They enter villages where there are no Muslims and build huge, ornate mosques and schools. To attend their school, you must agree to become a Muslim. This is their plan of “evangelism.” We believe that the Gospel of Jesus, with repentance, healing, and deliverance is more powerful than every demonically-inspired religion, including Islam. When people repent and become born again in the presence of miraculous healings and deliverances, they become New Testament Christians. This is the answer to the advance of the Muslims. In fact, Muslims are being saved all over the earth today. On August 29-Sept 6 Sherry and I are returning to Tanzania to do a crusade in the city of Sengerama. We believe that thousands will be saved during those days. Would you please prayerfully consider helping us with a substantial financial offering to help us with this strategic ministry? The cost of this trip is about \$15,000. I believe that as you sow your seed, you will receive a harvest. Let’s partner together for this end-time harvest of souls. Jesus is our mighty King!!
