2000 souls in Tanzania!

This man traveled 70 kilometers to the meeting after hearing about it on the radio. His legs were paralyzed, but he was completely healed!

From August 31 to September 4 Dr David & Sherry Nichols held meetings in Sengerama, Tanzania. Thousands came each night to see the miracles and hear the Word. Over 2000 were saved in the five nights. There were several other notable miracles that pointed the attention of the people to Jesus! The crusade actually touched many more people because the messages were recorded and were broadcast each night over the radio to a poten-

tial audience of 12 million in the nations of Tanzania, Burundi, Rwanda, Uganda, and Kenya. Testimonies are still coming in from this radio ministry. Bless you Jesus!

Healing Miracles in Minnesota!

Jesus' healing power is being demonstrated right here in Minnesota! On October 2 we ministered at First A/G in Hibbing, MN. Two testimonies from there are shown below. We also ministered at Redeeming Love Church in Maplewood, MN with Healing Rooms of St Paul on Oct 7,8. See page 2 for those testimonies.

At left, hundreds of people repenting of their sins at Sengerama, Tanzania on August 31, 2011

Below, this lady had no rotator cuff left. Now healed, she holds up her arm with no pain.

At right, this man needed shots in his knees every 3 months for 5 years. He had diarrhea for 8 weeks and complications from heart surgery. He is completely healed!

More Healings from Sengerama!

Here are some more of the healing testimonies from our crusade in Sengerama. This town was a stronghold for witchcraft. Literally hundreds of people were delivered from demon spirits as they came to be saved.

Above, this young man was completely healed of epilepsy. All his symptoms are gone, he has the joy of the Lord!

Above, Dr David Nichols and Bishop Eugene Murisa releasing the healing anointing at Sengerama.

Above, this woman had a large goiter on her throat and could barely swallow. Here she is testifying of her complete healing!

At left, this man (face down) had to be carried out to be delivered. Hundreds of people were set free both on the platform and in the deliverance tent as our faithful workers ministered each night.

At right, this young girl had demons tormenting her for a long time. She is completely set free by the power that is in the name of Jesus!

Minnesota Healings

Brother Larry telling of the healing of his 89-yr-old mother from bronchitis. It happened right over the phone.

In this meeting in Maplewood, MN we released the healing anointing over cell phones. Many people were healed right over the phone!

At right the person who was called on the cell phone was healed of breast cancer! The lump dissolved to nothing!

Please Pray... Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

Who's in Charge?

An excerpt from the forthcoming book by Dr Nichols

Many people who believed that God did miracles, but who had never seen one, now began to experience miracles personally. Water turned into wine. Blinded eyes were opened. Deaf ears were unstopped. Lepers were cleansed supernaturally. And then, the unthinkable began to happen. Jesus began to raise dead people back to life. It was the resurrection of Lazarus that caused the most trouble.

The religious leaders of Jesus' day were individuals who took seriously their stewardship of the belief structures of the Jewish people. The Pharisees were learned teachers of the law. Under God, their supreme authority from the past was Moses, the prophet of God. The past can be a comfortable place when God begins to shake the present. So it was with the Pharisees. They could quote lengthy passages of the Law by heart. They knew the prophecies that I mentioned above. But when the fulfillment of those prophecies was standing right in front of them, healing the sick and casting out demons, they could not understand what they were seeing and hearing. The Sadducees had a greater problem with Jesus than the Pharisees. Their belief structure did not include miracles, nor the existence of angels or demons. They had no shelf in their intellectual warehouse for a Christ who was constantly casting out demons and healing the sick with miraculous power. So both groups began to oppose Jesus. Think about this. The representatives of God's truth in their generation could not see the Truth embodied in the person of Jesus. The greatest amount of opposition to Jesus did not come from sinners, tax collectors, and prostitutes. It came from the trained, educated, scholars and teachers of the law. **Those who knew the most, believed the least.**

Rwanda needs the Gospel

There are places on this earth where Jesus Himself is appearing to Muslims, and they are being saved. One such place is Rukara, Rwanda. Our brother Appolinary is planting a church in this village. One day he encountered two Muslim women in the marketplace. He told them of Jesus. They responded with their knowledge of Jesus from the Koran. Appolinary, guided by the Holy Spirit, asked them to pray a simple prayer that night before going to bed: "Jesus, if you are real, reveal Yourself to me tonight." They both prayed the prayer at their respective houses. Jesus appeared to them that night!! He had fire in His eyes, white hair like wool, and a white gleaming garment. They sought our brother out the next morning and gave their hearts to Jesus! Within two weeks, their husbands also repented, and now these four are the key couples of this young church. We have been invited to do a crusade in Rukara, and we are going. The dates are November 29– December 3, 2011. We believe that thousands will come to Jesus in these days. The cost for these meetings is about \$10,000. Would you please help us with the financial burden of reaching these lost souls? I believe this is the best place to invest your money, reaching lost people, and establishing new churches. I visited Rukara myself in June, and I believe it is ripe for a powerful move of God. Your prayers for us are so important as we embark on these foreign trips. Please hold us up to Jesus for strength, knowledge, and wisdom from heaven to come to us. Bless you!!
