2400 Souls in Vadiaram, S. India!!

Dr David Nichols and Paramjyothi releasing the healing anointing upon the people at Vadiaram, South India.

On December 12-14 of 2014 Dr David Nichols and Pastor Brian Steinbach held a healing festival in India. With the capable assistance of Pastor B Sam Paramjyothi, we saw at least 2400 people step forward to commit their lives to Jesus. Just hours before the first meeting was to start, rain was threatening,

and the temperature was cool. Prayer was offered up to the One True Living God at the grounds, back here in the USA, and many other locations. On both Friday and Saturday nights God supernaturally stopped the rains. It was a clear sign to everyone in the village, because it was raining steadily as close as 3-4 kilometers on either side of the town. Each night the living God clearly manifested His power as many were instantly healed by Jesus as the healing proclamation went forth from the platform. A number of people manifested demons and each were brought to the front by our workers. The manifested Presence of Jesus came and with the help of the local pastors all the people were set free. At our pastor's conference, there was a mighty challenge to do the works of Jesus

Hibbing Healing Festival

On December 5,6, and 7, we held a healing festival in Hibbing, MN at the Lincoln School Auditorium. We were capably assisted by Ben and Micah Williams from Global Awakening in Harrisburg, PA. Each night, people were healed in the name of Jesus, and each night, people responded to make Jesus Lord of their lives. We did healing over the cell phones, and two men were healed. One was in Chisholm, MN and other was in Arizona. Jesus is Lord!

This young lady had severe pain in her jaw for several years. She was healed by Jesus in Hibbing, MN

Healing Outbreak in Grand Forks, ND

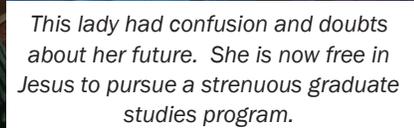

This man had a rod and screws in his back; now standing straight with no pain!

This is Pastor Jeanette from Hosanna Full Gospel Church, where this outbreak occurred. She is testifying of the healing of her neck and upper back; no more pain!

This lady had diabetes. She checked her numbers the next morning and they were normal

This lady had confusion and doubts about her future. She is now free in Jesus to pursue a strenuous graduate studies program.

Treasure Hunting-Christmas Style

At each of our USA healing festivals, we take time to do “treasure hunting.” This is a simple exercise in being led by the Spirit (Romans 8:14). A leader gathers a group of believers and trains them to hear the voice of the Spirit of God. They pray together, then each person writes down what they heard. The leader then gathers them and facilitates an interpretation of the “clues.” These always lead to people, the treasure, being saved and/or healed in malls, stores, gas stations and other places. As we enjoyed our HOTFM staff Christmas party, we experienced a Christmas twist on treasure hunting. The suggestion was made that instead of exchanging gifts with each other, each of us would put money into a bucket, and then believe that Jesus would lead us to a truly needy family with this Christmas blessing. So we did, and then we prayed for the Spirit to speak to us. We five people wrote down what we heard. First person-library. Second person-Plymouth, MN and red. Third person-food. Fourth person-young woman with a child, red backpack. Fifth person-penny. So we concluded that the treasure would be found at the Plymouth, MN library and would be a young woman with a child and red backpack. Since Peter and Carla Schoon live near this location, we sent them with the money. As they entered the library building, they noticed a sign on the vending machine “no pennies.” They also noticed that across the street was a grocery store named Cub Foods. They patiently waited, and after an hour, a young African woman came into the library holding the hand of a young child and wearing a red backpack! Carla approached her and told her about the treasure hunt. She misunderstood at first and thought it was a scavenger hunt, and offered Carla a penny! Carla said, “No, you are the treasure and Jesus cares about your family’s Christmas.” Then she gave her the money. The young woman began to weep and rejoice at the same time. She and her husband are both graduate students and Pentecostal believers. They had just had their husband/wife meeting to decide which bills to not pay so they could buy presents for their children. Jesus knew all this and met their need! I believe in treasure hunting!

Here at Heart of the Father Ministries we believe that 2015 is going to be a year of unprecedented challenges, and at the same time, it will be a year of amazing Kingdom advance. At right is a picture of myself and Jyothi leading 1100 people in the sinner’s prayer on Dec 14, 2014. We want to do this again in 2015 as many times as possible. Our next trip to Burundi, Africa is set for Feb 23-Mar 2, 2015. Would you please prayerfully consider helping us financially to bring in the harvest of souls in East Africa and India? Your gift can also help us to bring healing festivals to six cities of the USA in 2015. As God has blessed you, I believe now is the time for you to be a blessing! Thank you for faithfully hearing and obeying the voice of the Lord! Blessings on you!!
