This man had chest pains and pain in his hip, both healed at Beulah

Revival in the Rockies!

Dr David Nichols was one of the speakers at Revival in the Rockies. This amazing camp meeting is held each summer at Hungry Horse, Montana. Dr Nichols was led by the Spirit to release the healing anointing over the cell phones as the people in the crowd called their friends and relatives who were sick.

A man named Mike was called by his friend. He had COPD, cirrhosis of the liver, and diabetes. As the healing proclamation came over the phone, the pain went out of his body, and a great peace came over him as he was healed. A woman named Renee was called. She had many things wrong with her. As she placed her hand on her stomach, it became hot as the healing power of Jesus flowed into her. A lady who had neuropathy in her ankles and feet was called. As the healing declaration went forth, the swelling went down right before her eyes. The Holy Spirit led us to use prayer cloths and items of clothing to be carried to those who could not come to the meetings (Acts 19:11,12). We are expecting many healing testimonies!

Planted and Prospering Conference in Beulah

Dr David Nichols ministered in the power of the Spirit at New Life Church in Beulah, ND, led by apostle Ron Enget. People came from several states as well as North Dakota to enjoy the presence of the Lord and the advance of the Kingdom. We released healing over the cell phones, and a number of people were touched many miles from Beulah. One man who was called by his sister (picture at right) was schizophrenic and had cancer. He felt the heat of God's presence come all over him. He began to weep for the first time in years as Jesus began healing and restoring him.

Moving in the Glory at the Glory Barn

On July 19 and 20 we ministered at the Glory Barn, near Browerville, MN. Hungry people pressed in for more of Jesus. There was a word of knowledge for healing in the hips. Several received the touch of Jesus in their bodies.

At the end of the second session at the Glory Barn, I felt led to have all the young people come up. Then I had the older ones stand in behind them, and we blessed them to carry the fire of the Holy Spirit at a higher level.

Healings at Sherburn, MN Regional Worship Center

Above, this lady was healed of an injury to her shoulder. It was so bad, she could not sleep on it. Here she is testifying of sleeping through the night for the first time in months, after being healed.

Below, Calvin Berger came to the meeting from Worthington, MN and testified of the healing of his meniscus in his knee while he was on a mission with us in India in 2009.

Above, this lady had bladder issues, and had to get up several times each night. After prayer, she was healed. Here she is testifying of sleeping seven hours with no interruptions the night before!

Please Pray. . . Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

New Teaching Series: The Gifts of the Holy Spirit

Heart of the Father Ministries is pleased to announce the availability of a new CD teaching series– *The Gifts of the Holy Spirit*. In this teaching we cover all nine of the gifts from I Corinthians 12. The messages are taken from a conference where Dr Nichols shared ministry with spiritual father James Hessler from Dickinson, ND. In four messages, Dr Nichols covers tongues and interpretation, prophecy, gifts of healings, and working of miracles. In two messages, James Hessler addresses word of knowledge, word of wisdom, discerning of spirits, and faith. These messages are designed to bring not only information, but also activation in these gifts. We believe that your life and ministry can be transformed by a greater flow of these mighty gifts through you into other people. The cost for this set in an attractive binder is \$40. You can order by mail and pay with a check, or visit our website www.heartofthefather.net where you can order and pay electronically. Please use the form on the back of this newsletter for mail orders.

Reaching the Nations with the Love of Jesus

In our last newsletter, we appealed to you to help financially to put a roof on the building at the Congolese refugee church in Burundi. Because of your great response, we have sent the money, and the roof is being installed. Now we turn our attention to four important ministries that will happen in the second half of 2013. From August 26-September 3 Sherry and I will conduct a gospel healing festival in western Tanzania. We believe that thousands will come to the Savior Jesus to have their sins forgiven and to start a new life with Him. In the last week of

Part of the crowd of 14,000 listening to the preaching of the Gospel in Shinyanga, Tanzania

October, we will return to India for a festival in the southern part of the state of Andhra Pradesh. Once again, we believe that thousands will come to Jesus during those days. In December, by the grace of God, we will hold a festival in western Rwanda for five days. On the same trip, we will go to Uganda to speak to 2000 pastors about Kingdom advance and the five-fold ministry. Would you please pray for the strength of the Lord to sustain us and to enable us to boldly proclaim the power that is in the name of Jesus? Would you prayerfully consider making a sacrificial gift to help us with the costs of this overseas ministry? Thank God that we are living in a time when thousands of souls can be reached in a few days, and when hundreds of workers can be empowered and mobilized in their own nations to see the Kingdom come. Blessings on you as you participate in this Kingdom harvest.
