1900 Souls in Rwanda!!

The picture to the right shows some of the intensity of the repentance that occurred in Rukomo, Rwanda, East Africa on December 5, 6, and 7, 2013. I held meetings there with Dan Notley and Brother Appolinary of Gahini, Rwanda. The power of God

was clearly displayed each night. Many lame people, some who could not walk at all, were able to walk across our platform after being healed. Many people with eye problems, including total blindness, were healed and saw clearly. On the first night, a lady who was deaf and blind, was healed, and read the Bible to the crowd. Many people were delivered from long-standing conditions of pain in their bodies. Jesus was lifted high and glorified each night. Our pastors' conference in Rukomo was very well-attended, especially on the first day when we opened the church building to anyone who wanted to come. It was filled with about 1000 people.

HOTFM Ministry Banquet

On February 21, 2014, we will hold our annual ministry banquet at Redeeming Love Church, 2425 White Bear Ave., Maplewood, MN. Our banquet speaker will be Bishop Eugene Murisa from Mwanza, Tanzania. Bishop Eugene is a dynamic man of God who will challenge and inspire you to do great things in the Kingdom. He has 145 churches/pastors in his apostolic network in East Africa. Since 2007, he has organized our HOTFM festivals in Tanzania and Burundi. Together with Bishop Murisa, we have seen thousands repent of their sins, thousands healed and delivered from evil spirits. He leads the Highway of Holiness Church, a growing ministry in Mwanza, Tanzania.

Rukomo Experiences the Kingdom of Heaven!

At left, the man who was born blind, now healed, in the center. The girl testifying is his neighbor, who has known him for a long time. After her testimony came that of a government official who also has known him for many years. This miracle has had such an impact on the region that the man has been interviewed on the radio. So many people have heard now, and are coming to see this man, that the churches in Rukomo are being filled with newly saved people and those who are returning to their first love of Jesus. Below, this man was blind. As he stood in the crowd during the corporate prayer for healing, a wind blew across his face. His eyes were opened, and now he can see clearly.

At left, this lady had terrible leg pains and could not walk. Here she is walking on the platform!

This young lady (left) had terrible abdominal pains and a tumor on her breast. She received prayer over the cell phone, then went back to the doctor. Tests confirm: no more tumor at all!

From Michigan, this man called his niece in California, whose husband is an Iraq war vet, paralyzed from injuries while on duty. A day after the call, he was moving his feet!

Please Pray. . . Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

The Kingdom of Heaven is at Hand!!

I am writing this on New Year's Day, 2014, realizing in part the amazing opportunity that lies in front of us. For years now, people have asked me, "Why can't we see miracles and healings here in the USA like you do in Africa and India?" The answer is, "We can and we will!" Jesus is already doing it! We have been challenged by the Holy Spirit to bring healing festivals to towns and cities in the USA.. Here are three that we have scheduled for 2014: Jamestown ND, June 13,14,15; Coal City, IL, July 11,12,13; Huntington, IN, August 15,16,17. These are salvation/healing festivals, held in neutral venues, with the city and region invited to come. We believe that hundreds of people will be saved and healed in each town. Please

receive the testimony of Andrea as firstfruits of what God wants to do in the USA. Sherry and I met her in July, 2012 in Abbotsford, WI. She was diagnosed from the age of six with bipolar and paranoid schizophrenia. Jesus set her free that day. She quit the 20 medications she was taking per day. In the picture above, 15 months later, she has called her dad, who had all the same conditions she did. He said after the prayer, "I am able to think with my mind for the first time." Your prayers and gifts will help us take this truth all over the USA.
