Breakthrough in Burundi!!

The first time I went to Burundi in 2009, the oppression was so heavy, I only wanted to get out of there and go home. I felt that way during the whole trip. Our crowds were small, the altar call response was small, yet God did a number of mighty miracles.

This past March, 2014, I returned to Burundi for the fourth time, and it was glorious! With some assignments, you have to keep pushing back until the enemy retreats. Kirundo is town whose name means "heap." This place is where many dead fighters were buried in mass graves after the tribal wars. The town has a jihadist training center, but none of this slowed down the work of the Holy Spirit. In five nights of meetings 2700 people repented and received Jesus into their hearts. Hundreds were healed, and a 14-year-old prophecy was fulfilled. This greatly encouraged the pastors and bishops to press on in the work of advancing the Kingdom of Heaven.

God's Time for America

During a time of prayer this past summer, I felt God speaking to my heart about His work in America. Father told me He wanted a greater return on the investment He has made in me, and I wept. I am radically persuaded that God will do the same miracles, signs, and wonders in America that He does in third world nations. I believe He will do it in the months and years just ahead of us! If we take the time and effort to gather the lost, the hurting, and the bruised, God will show His mighty power, even here in America. So now we have scheduled four healing festivals in the USA for 2014. These will not be held in churches, but in neutral venues, where the city can be invited. We are using websites, billboards, videos, newspapers, and every other means at our disposal to demonstrate across America the Jesus who heals, the Jesus who delivers, the Jesus who saves to the uttermost. Father's love for His children is the ultimate weapon in this spiritual battle for the souls of men, women, and children. Everyone who stands in the presence of a genuine miracle from God is called to a decision. There is no middle ground- it's yes or no- the eternal destiny of each person hangs in the balance. See page two.

USA Healing Festivals

Since Jesus released us into another 15 years of ministry, our hearts have been to the USA. We will continue doing at least 3 festivals overseas each year, but we are now launching into full-blown healing festivals in neutral venues here in America. We invite you to join us at any of these. When you come, please bring unchurched, dechurched, and lost people with you. We are believing for hundreds to be saved and healed at each of these events.

Expand and Explode

Last year Sherry and I received the shortest prophetic word of our lives, and yet it was one of the most powerful. The prophecy contained three words– expand and explode. We began to align ourselves with the word and with Scriptures and godly counsel. We soon became aware that Father was going to give us a building to house the ministry. It would provide space for offices and be a headquarters location. On March 12, we closed the deal and began moving in. Our

new office building is located in downtown Rush City, MN, six miles from our home. It has 2500 square feet on each level, upstairs and down, so we have plenty of room for expansion. Because of another prophecy that came, and a wonderful donation from a faithful couple, we were able to pay cash for the building. This building is part of the wineskin being prepared for the pouring in of the new wine (Matt 9:16,17). We are preparing for the harvest that is coming!

Walking in Divine Provision

Now that we have the building, we need to operate it with stewardship, and launch into the harvest here in the USA. At the same time, we will continue ministering the Gospel of the Kingdom in India, Tanzania, Rwanda, and Burundi. This will take an increased level of finance, and we are believing our One True God of provision to help us. He usually uses people to do this. Would you consider making a sacrificial one-time gift today to help us launch into this explosion of God's harvest plan for America? Would you consider becoming a monthly financial

partner to help us continue reaching into Africa and India to harvest thousands of souls? I believe you will be blessed with divine provision as you do. The seeds you sow into fertile soil will yield a harvest of blessing and Kingdom fruit. Thank you for your faith-filled giving!
