Better than Doing it Myself

In Geita, Tanzania, on September 5, I had an experience that I will never forget. It happened at our pastor's conference, held in a local church with a mud floor. I gave a teaching on healing, with Scripture passages and personal testimonies. Then as I finished, I said, "Now all of you have a homework assignment. Before we come together tomorrow morning, I want you to find one person who needs healing, and minister Jesus to them." Next morning we gathered, and I asked, "How many of you have your homework done?" Three hands went up. I invited them to the front, and here is what they told. The first was a young mother of a six-month-old baby. She said she went home after the teaching, looking at her baby, which had a tumor protruding from its head. She said to herself, "Why can't I pray for my baby, and see Jesus heal it?" She laid her hands on the baby's head, and saw the tumor shrink to nothing before her eyes. The second person was a lady in her forties. She said she attended her home church that evening after our session. There was a woman there whose right breast was swelled to twice the size of the other. After receiving permission to minister to her, she laid her hands on the breast and felt it shrink under her hands until it was the same size as the left breast. The third person was a young man in his twenties, a pastor in the village. He said he left the meeting and was walking on one of the streets of the village. He encountered a lady sitting by the side of the street. When questioned, she said she could not walk, and was waiting for someone to help her. When asked if she wanted to walk, she said yes. The young man offered his hand, grasped hers, and lifted her to her feet. Just like in Acts 3, strength came into her ankles, legs, and feet, and she began walking down the street on her own! These testimonies made me marvel at the power of God, moving through simple people, who took Him at His Word, and acted in simple, child-like faith. Can you and I return to this simplicity, and believe Jesus to act in power when we step out? I believe we can and we will!

Thanksgiving in our Hearts

As we approach the ending of year 2015, our hearts are filled with gratitude to our great Father in Heaven, who has granted us strength to conduct ten healing festivals here in the USA. About 300 people have come forward to repent in our meetings this year. In addition to these USA activities, we held a healing festival in Buhiga, Burundi, seeing 3200 people repent, with crowds of 22,000. At our recent meetings in Geita, Tanzania, we saw 2800 people repent in 5 nights, with total victory over flooding rains. All these advances are possible only because of the faithfulness of God's people, YOU, to pray and intercede for the meetings, and to give financially so we can meet all the commitments these meetings bring forth. Now we turn our attention to planning to return to India for a festival, beginning on February 1, 2016. Would you pray each day for the release of God's power and love upon the people of India, so that they can know Jesus as Savior and Lord? Would you prayerfully consider helping us raise the \$12,000 that is needed for this work? We invite you to visit our newly redesigned website www.heartofthefather.net, where you can watch meetings and see testimonies both from USA and overseas. At the website, you can donate online, and sign up for recurring monthly giving, as well. Thank you for partnering with us in this amazing end-time harvest across the earth!!
