From Sept 5 to 13, I travelled to Bwanga, Tanzania with David Dewes from Chicago for a four-day outdoor healing festival. Over 10,000 people attended the meetings with 1800 accepting Jesus as Savior and Lord. Hundreds of people were healed and delivered from evil spirits. One of the highlights of the trip was the salvation of three Muslim men in their 70s. They were each accompanied to the meeting by many family members. One of them grasped the rail on the front edge of our platform and exclaimed, "I want this Jesus!" Another exclaimed, "I want the *mzungo* (white man) to pray for me!" Several notable miracles happened at Bwanga. One was that of a woman's broken leg coming back together in moments of time, and the healing of a condition of profound weakness.

What Happens After the Festival?

Here is a quote from an e-mail I received from Bishop Eugene Murisa on Oct 8: "...the revival is going on after our festival. The secretary of the crusade committee called me and said there are 300 people attending his church as new believers and all the churches are having increase in attendance and the fire is still going on. Many people especially young men and women are doing door to door evangelism and healing the sick. This Baptist pastor says that Bwanga is not the same. It is a place of evangelism."

Testimonies from Bwanga

Above, this man had severe weakness all over his body. He could barely move his arms and legs. He is jumping up and down to demonstrate his healing.

Above, this jumping lady (in the gray pantsuit) broke her leg. She laid in bed for two weeks in terrible pain. She was brought to the meeting, and the power of Jesus' name gave her the miracle.

Our Mighty God has Big Plans for Planet Earth!

God is up to something big! At the International Healing Conference in Maplewood, MN, we heard a wonderful report about an effect of the Brexit vote in England this past summer. It seems that after the vote was taken for Britain to exit the EU, revival has broken out in towns and cities in various parts of England! We are rejoicing in the revival that started in Bwanga, Tanzania after our festival there (see page 1). Across the earth today, God is moving by His Spirit. We will minister, by God's grace, in the states of Minnesota, Wisconsin, Indiana, Florida, and North Dakota in the weeks ahead. During early February, we will return to Tanzania to minister in the village of Buswelu. We believe that the fire of God will burn even brighter as we see salvations of hundreds each night, mighty miracles and healings, and deliverances from evil spirits. The cost of this outreach is \$10,000. Would you prayerfully consider helping us meet the financial need for these meetings with a substantial one-time gift? We also would like to enroll 100 new prayer partners in intercession for this ministry as we go to the next level. Please use the form on the back of this newsletter to indicate your response by mail. You can also respond for financial giving or for joining our prayer support team at www.heartofthefather.net. On our website you can also view our USA and overseas festivals, purchase our CDs and books. Automatic monthly giving is there on the website as well.
