Jesus Loves Rwanda!

On August 22-26, 2018, Rev Pete Couper and I invaded Rwanda for the Kingdom of God. We were capably assisted by our brother Appolinary Hakizamana. We ministered to 150 pastors and leaders with our Apostolic Training Institute. We trained them in the supernatural power of God and released them into the village. The next day, dozens of them stood in line to testify of the mighty works of healings and miracles that Jesus did through them! For five nights, we ministered to crowds of thousands, preaching the

Gospel of the Kingdom. Over 500 people repented during those nights of harvest. A precious African pastor led the children who repented in discipleship on another part of the field. In the picture above,

this young man had severe pain in his head and blindness. As he stood in the crowd when the healing declaration was released, his sight came back, and all the pain went down the drain. Thank you Jesus!!

This lady has a bad shoulder for three years and could not lift it. After being healed, she lifts her arm straight up!

On Sept 13,14,15, we held our **Edina Healing Conference** in Edina, MN, a suburb of Minneapolis. Our partnership with Scarrella Ministries was fruitful as many were healed in their bodies and souls. Others were activated into healing ministry by the teachings of Tom Scarrella, Peter Couper, and Dr David Nichols

This man had a food addiction which made him eat certain foods each night. Now he is set free by the mighty name of Jesus

Jesus is healing people here in the USA

At left, Pastor Corey Rice in Minot, ND receives the testimony of a man who injured his knee in a fall 40 years ago. Now the pain is gone and he is using his whole leg without restriction. At right, Jesus is still healing people over cell phones! Sherry Nichols called our daughter-in-law Debbie, who was healed of severe pain in her head and sinuses which had lasted for days.

At left, this lady said she had a bad shoulder for along time and could not lift her arm very far. Here, after being healed, she is lifting her arm over head with no pain at Water's Edge Church, pastored by John Tuttle in Marquette, MI. At right, this man responded to a word of knowledge for pain in the ribs. The popping and clicking stopped immediately and the pain went down the drain.

At left, this man's knee would pop out, but now stays in place after healing. At right, this man was healed of a smoking addiction.

Finding Treasure in Suburban Minneapolis

Peter and Carla Schoon led our treasure hunting for the Edina Healing Conference. Many treasures (people) were found and received ministry out in public. At left, one of the team members tells of a treasure who was healed of back pain and depression. At right, this lady was amazed how easy it was to approach people and minister to them at a Target store.

Healing Ministry in Rush City, MN

On July 29, 2018, we ministered at our "other" home church - Living Water Fellowship in Rush City, MN, pastored by Lee Beecher. There were many healings that day, including the young lady at left, who was healed of severe pain in her head. At right, this lady had dislocated her hip and walked with a limp. She was healed, and walked perfectly in front of us there in the church.

Apostolic Training Institute

This past August 20-27 Peter Couper and Dr David Nichols ministered the Gospel of the Kingdom in Kiramuruzi, Rwanda. A big part of this trip in addition to the

Dr David Nichols receiving the testimonies of pastors who went out and healed the sick at Kiramuruzi, Rwanda

crusade, was the release of our Apostolic Training Institute to the 150 pastors who attended our sessions. We recorded eight sessions on video during this time, and we believe we will be able to release those soon to the entire Kinyarwandan language group of people. We believe that training

Rev Peter Couper teaching ATI to the pastors in Kiramuruzi, Rwanda

and releasing the pastors and leaders into supernatural ministry are the keys to sustained powerful ministry in a nation by the Holy Spirit. That is why we are

returning to India in January to release Apostolic Training Institute to hundreds of pastors. When we have recorded the sessions, we will be able to present them to the 100 million people who speak the Telugu language in South India. Would you prayerfully consider making a substantial contribution today to help us with this work in India? Please use the form on the back to designate your gift.
