Heartland Healing Festival

On July 29-August 2 we held our Heartland Healing Festival at Cornerstone Christian Church in Emily, MN. We thank God for the leadership vision of Pastor Earl and Gay Ready, who led these six power-packed meetings. It was my privilege to bring the Word and minister healing each night. We found that people are hungry for the power of God in northern MN. There were so

many healings and miracles, it was hard to keep up with them all. The man in the picture at left broke his ankle as a child. He broke it 5 more times during his adult life. This limited his mobility and caused pain for many years. In our meeting in Emily, MN the power of God hit him. In this picture, he is moving his ankle with complete mobility (more testimonies on p. 2).

Tanzania Medical Mission

On August 24-29, 2020 our own Bishop Eugene Murisa led an amazing medical mission in Mwanza, Tanzania. The Lord provided doctors, nurses, evangelists and preachers to minister to the people. The Lord also provided a great facility close to the center of this large African city.

In the picture above right, a crowd receives the gospel. Evangelists circulated among the crowd. A number of people were saved, including the muslim man pictured above left. At bottom right, our trained workers check in the people so they can be seen by the doctors and nurses.

More Testimonies from Emily, MN Festival

At left, Pastor Earl Ready testifies of calling his brother during the cell phone healing time. He was healed of blood in his urine!! At right, this man named Louis had a stroke, During the course of the meetings, his speech was restored and he was able to walk straight in front of the whole crowd.

At left, this woman had joint and muscle pain and could only climb steps with great difficulty. In the morning after the meeting, she moved up and down stairs with no problem at all. At right, this man was healed in his hands, which had been very painful.

At left, this woman had pain, clicking and popping in her knees. Jesus healed her, no more popping or clicking.

At right, Pastor's wife Gay Ready testifies of being healed in her knees, so that walking up and down stairs is no problem.

Healing Outbreak at Crossfire Assembly

At Crossfire Assembly in Coon Rapids, MN, Jesus healed a number of people on Sept 20. At left, this man had a condition of great pain in his foot, completely healed!! At right, this man was struck by a steel beam at work. He had constant pain for years. Now he is completely healed!

Continuing the Outreach in India

When the restrictions of the pandemic hit us in March, like many other ministries we moved to Facebook and Youtube as platforms of expression of the ministry. Learning as we go, we are releasing the Gospel into India as virtual healing festivals. In the past ninety days, our messages have reached 205,200 people in India. From that number, 139,200 engaged with our post, meaning that they watched part or all and/or responded in some way. We praise God for these results!! We have found that if we send in a short 2-3 minute video first, highlighting a powerful testimony or deliverance, then follow with our longer video, the response is much greater. With this internet ministry, we are able to target specific towns and regions. Our campaign in Nandyal, India resulted in 65,655 people reached, with 7,293 engaging with us. In our Giddalur, India festival, 46,747 were reached, with 5,632 engaging. We have been busy responding to hundreds of messages from Indian people, wanting to be saved, or returning to their first love.

Having an Impact on the Harvest

This is the time of harvest in the natural. All over America, combines and tractors are pulling in the harvest of corn, soybeans, wheat, and many other products. I have lived near places of sugar beet production in the past. There is something about this particular harvest that activates nearly every able-bodied person in the region to help with the harvest. Night and day, ordinary life stops as the community plunges into the harvest. I would like to challenge you with that kind of urgency for the harvest of souls that is in front of us now. The first, and most important thing you can do is pray to the Lord of the harvest to send out laborers into His harvest field (Luke 10:2). Secondly, you can help finance the gathering of this amazing harvest of souls (II Corinthians 9:6-12). Please send in your offering today to help us in this great adventure. (Please see page 4.)
