Since our last newsletter, we have sent two teams to Tanzania. In July, David Dewes led a team there from the Chicagoland area. They dedicated two wells and a church building. Hundreds of villagers responded to receive Jesus at the wells. The highlight of the trip was the crusade, where over 2000 received Jesus as Savior and Lord. The September trip was led by Peter Couper. They also dedicated wells in Runzewe and Buziku, Tanzania. Over 600 people prayed to receive Jesus at the two well dedications. A crusade was held in Igombe, Tanzania. Over 1500 souls entered the Kingdom during this trip. *(continued pg 3)*

HOTFM Banquet 2022

On Friday, September 16 we held our annual fundraising banquet at Redeeming Love Church, Maplewood, MN. At right, Pastor Mike McCartney testifies of his healing from cancer. At left, Pastor Gene Sherrod shares his vision for Tanzania.

Healing Explosion in Illinois

On August 28, we ministered at Destiny Church, Springfield, IL, pastored by Eric Hansen. In the evening service, many people were healed, both in the house, and over cell phones. Some of the in-house testimonies are on the left side below; a sampling of the cell phone healings are on the right.

At right, the man who was called had just prayed that someone would call him. He is healed in Jesus' name.

At left, this young lady fell on her right side. This resulted in sciatic nerve pain. She also had lingering effects of covid. Her hands began tingling and the sciatic pain left.

At left, this man fell down a flight of stairs backwards. He had extreme pain between his shoulder blade and spine. All pain left, he is completely healed!

At right, this young lady called her friend who had cramping for hours before the call. All cramping left; she is healed!

At right, this woman called her daughter, who had motion issues all over her body. In the picture, she is demonstrating the way her daughter can now move her arm, which she couldn't do before the healing.

At left, this young lady had tendonitis in her bicep and shoulder. She could not raise her arm but here she is demonstrating the healing.

Please Pray... Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

Jesus Reigns in Tanzania

(Continued from pg 1)

At right, Peter Couper, HOTFM Outreach Director, preaches to the crowd at Igombe. Over 1500 people repented and began to follow Jesus!

At left, this is the church building which was dedicated by our July Tanzania team, led by David Dewes. When the village elders saw that we were serious about providing a well for the village at no cost to them, they decided to donate this parcel of land for the building of a church in

this village which also did not have a church. Under Bishop Eugene Murisa's direction, we have a pastor there, and everyone who comes for water at the physical well is reminded that the water of life is available right next door at the church.

At left, this lady had a tumor in her stomach. Jesus healed her in the crusade meeting. The other lady is confirming this miracle. There is no tumor in the place where it was.

At right, this young man had epilepsy for 8 years. He was healed and delivered in the crusade meeting. All symptoms of epilepsy are gone!

Investing Simplified

In these times of economic uncertainty, everyone is wondering where to invest their money. The stock market is down, the commodities are jumping around in price, and inflation continues to undermine the value of the dollar. I have a suggestion. Sow seed into the Kingdom of God (II Corinthians 9:6-8). God's principle is simple: sow sparingly, reap sparingly; sow bountifully, reap bountifully. In Proverbs 19:17 it says, "He who gives to the poor lends to the Lord, and He will pay back what he has given." You probably can't give directly to poor people in Africa, but you can enable us to meet their physical need for clean water and their spiritual need for the water of life by giving into this ministry. There are blessings and return on your investment now, but the real reward is out of this world. Please use the form on the back.
