Harvest Time in East Africa!

The fields are ready for harvest (John 4:35) in Rwanda and Tanzania. In August, 2023, Dr David Nichols led a team to Nyamata, Rwanda. Hundreds were saved and confessed Jesus as Savior. Many were healed and delivered from evil spirits. The picture above shows the move to the altar on the last night of the crusade.

Tanzania for Jesus!

From our banquet, which was held on September 15 in Maplewood, MN, we released David Dewes and Peter Couper to depart for Tanzania the following day. They dedicated a well, with people receiving Jesus right there at the well dedication. 530 souls were saved, dozens were healed of sickness and infirmity. 60 people were delivered from evil spirits. The picture at left shows one of the altar calls at the crusade in Mkolani. The crusade was held near a school for disabled students. A large number of deaf students received their hearing and repeated words spoken in their ears.

Testimonies From Africa!

Above, the man in the middle was born blind, and was healed at our crusade in Rukara, Rwanda 10 years ago. Here he is, 10 years later, testifying at Nyamata last August

The lady in the middle is testifying of her deliverance during our Mkolani crusade. She was demonized and tormented for five years. Now she is free in Jesus!

Above, the pastors at our conference. Dozens of them healed the sick. Below, a lady could not see or raise her arms & a lady was paralyzed.

Healing Fire at Springfield, IL

On August 27, we ministered at Destiny Church, Springfield, IL, pastored by Eric and Cheryl Hansen. On Sunday night, we did healing over the cell phones. Jesus came in power! The first three people who came

forward with their phones to testify were talking about brain tumors. In the healing decree, I had mentioned brain issues. The lady on the left has a friend who said over the phone, "I feel wonderful." The man in the middle picture called for his friend who had a brain tumor. The man awakened from sleep during the healing declaration and the people in the room tangibly felt the oppression of the disease lift and leave. The man in the right picture also called his friend who had brain cancer and she felt great relief. A missionary in Guatamala was prayed for over the phone. Doctor is astounded! Healed of glaucoma, seeing clearly!

Our New Director of International Ministries

In June of 2014, I met a man named David Dewes in a restaurant in Jamestown, ND. He told me of how God had called him to minister in Africa, but he didn't know how to get started. Over the next several years David went with me on teams to minister in Africa and India, as well. The call of God on his life was apparent, and in 2019 he began leading teams for HOTFM as well. It was my privilege to lay hands on him as he was ordained at FiveFold Ministries, Int'l this past July. As of September, 2023 David has joined us as Director of International Ministries. In this paid position, he will take a more active role in leading our overseas outreaches. He has already been involved in five of them this year of 2023. Welcome, David and wife Mila! In the picture at left, David is hugging one of the 15 girls who was healed of deafness last month at Mkolani, Tanzania.

We are continuing to **spread the Good News of Jesus across America and Africa and India.** Would you please consider helping us financially in this work? It takes \$7000 to bring a crusade to a village for five nights. A bored well that will last for a generation costs \$8000. These wells serve villages of 3000 to 5000 people with fresh water. Please use the form on page 4 to donate with a check; visit heartofthefather.net to give online. Thank you!!
