3200 People Repent in Burundi!!

Part of the crowd of 22,000 people who attended the last night of our healing festival in Buhiga, Burundi

The first time I went to Burundi, I wanted one thing—to go home as soon as possible. The oppression was tangible, the crowds were small. But I kept going back. I have just returned from my fifth Burundi trip, rejoicing in the faithfulness of our Lord and Savior,

Jesus! I was capably assisted by Bishop Eugene Murisa from Mwanza, Tanzania and by Peter and Carla Schoon. Jesus did many miracles and healings among the people, including the healing of a woman who walked onto the grounds with malaria, deafness, and a broken arm. In moments of time, while she was standing in the crowd, she was healed of all three conditions. The altar calls were the biggest we have ever had in Burundi: 3200 souls in five nights. On the last night, after the altar call, we asked for everyone who believed God was sending them out to preach the Gospel, either to Burundi, or to other nations as missionaries. We wept as over 250 precious believers came forward to dedicate their lives to spreading the Gospel of Jesus. See more at www.heartofthefather.net/Burundi2015.html.

Spring Hill Healing Festival

On January 16,17, and 18 we held a healing festival at the Springstead High School Theater in Spring Hill, FL. We had great cooperation from Pastor Tim Coats and Family First Assembly, including their anointed worship team. Over a dozen people responded to take Jesus as their Savior. A woman was healed of a migraine headache. Another had pain all over the left side of her body which left her completely. A man had a hernia from a severe trauma to his groin area, completely healed by the power in the name of Jesus!

Many people received prayer at the end of the services and were healed as the worship team led and the saints did the work of the ministry (Ephesians 4:12)

On March 27,28,29 we held this healing festival with the great cooperation of Pastors Keith Thompson, Jason Swedeen, and Bill Smith.

At left, this lady had fibromyalgia, and several issues with discs and vertebrae in her neck. Here she is saying, "I feel wonderful!"

At right, this lady had a kidney transplant that became very painful. She testified that she now has a new kidney!

More Testimonies from Buhiga, Burundi

At right, this teenage girl had epilepsy since birth. Every day for her included fits and spasms. Here she is testifying after being free from it all for over 24 hours. Praise you, Jesus!!

At left, this is the lady who had a broken arm, deafness, and malaria. Now healed, she pats the top of her head with the arm that had been broken!

Please Pray... Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

As you can see from this newsletter, we have been busy **Preaching the Gospel of the Kingdom in Africa and across the USA**. We believe this is the time for which we were born. This is the message we were called to proclaim- the supernatural power of God to change lives through repentance and conversion; and the healing of those who are sick and suffering in body in the name of Jesus. All this travel and making of arrangements costs money. We always take offerings at our events, and sometimes we make budget, and other times we do not. Right now, after this flurry of activity, we find ourselves in a deficit situation. Would you prayerfully consider helping us with a generous gift today? We are considering branching into new technologies on the internet, including live streaming of our USA events. This also takes financial resources. Would you take a moment today to visit our newly updated website www.heartofthefather.net? On the website you can access videos of healing festivals, overseas and in the USA, testimonies of God's healing power, and all our products. When you click the Donate button, you will find options for credit/debit card use and monthly recurring giving. Thank you in advance for your faith-filled giving to this ministry. As always, your gifts to Heart of the Father Ministries are tax deductible as charitable giving. Your prayers are opening up the way for us to continue this work.
