2100 Souls in Armour, India!!

In the picture above, you see part of the crowd of hundreds repenting of their sins, led by Dr David Nichols and Paramjyothi on Sunday, Feb. 7, 2016. During four days of meetings in Armour, the Kingdom of God came with power. The lame walked, the blind saw, hundreds of people were healed of various diseases. One of the notable healings was that of a man who had been in ICU for his heart in Hyderabad, a major city 120 miles away. His wife went to the doctors, seeking his release to be taken to our meeting. They told her that he might not survive the trip, and that he must remain horizontal because his heart was so weak. After signing many papers, she brought him to our meeting. As the healing anointing was released over the crowd, he was instantly healed and stood and walked with no problem.

The Saints are Doing the Work of the Ministry

In Ephesians 4:12 we read that the five-fold ministers are “to equip the saints for the work of the ministry.” In the last few weeks, we have taken this scripture seriously and literally. We have found that the saints are more than able to do works of ministry right in their life-worlds. After being challenged to find one person in order to minister Jesus to them, the saints have been healing the sick, meeting physical needs, and bringing the lost to Jesus. At right is a picture of the saints praying for the sick at Devil’s Lake, North Dakota. Many were healed by Jesus through the saints.

Friday Night Fire happens the last Friday of each month this year.

More info at: www.fridayfire.net

We have now held three Friday Night Fires at our facility in Rush City, MN. The man on the left above was brought to the meeting, needing healing from the outcomes of a stroke. As he stepped out of the truck, he fell to the pavement, unable to walk. His friend got him back in the truck and came inside to ask for help. Six of us went out to minister to him. Six arms went through the open truck window and were laid upon him (Mark 16:17,18). In minutes, he walked into the building and enjoyed the meeting. In the picture, taken two months later, he is testifying of his complete healing from symptoms of the stroke! Friday Night Fire is all about the fire of God falling on people, bringing healing, deliverance, and salvation to souls in our Jerusalem (Acts 1:8). Our next Friday Night Fire is on April 29 at 7pm, 405 S Dana Ave, Rush City, MN. Make plans to join us!

Saints Doing the Ministry (continued)

This lady wondered how she would complete her assignment. She stopped at a Caribou Coffee, and found an old friend, prayed for his back, and brought him to church.

This man set out to complete his assignment to minister Jesus to someone in Redwood Falls, MN. He experienced two rejections, but then found a woman in deep emotional distress who received ministry freely.

This man was healed in our meeting last year, but now he received such a download of the Father's love that he was able to minister that love to a single mom of three children in Grand Forks, ND

Please Pray. . . Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

East Africa Needs the Gospel of the Kingdom

In August this year we have an amazing opportunity to carry the Gospel of the Kingdom into two nations on one trip. We have been invited by Bishop Eugene Murisa to conduct a gospel healing festival in Bwanga, Tanzania. Hundreds of people can be brought to Jesus in this place each night. Healings and miracles will demonstrate the Lordship of Jesus. The next week, we would like to begin another healing festival in Nyagatare, Rwanda. This town is only twenty miles from the site where a man born blind was healed two years ago. The impact of that miracle is still being felt in this region. Our director there is telling us that the crowds could be in the 10s of thousands. Would you please commit yourself to pray for these ministries each day? If God has blessed you financially, would you consider a first fruits offering (Proverbs 3:9,10) to help us bring the Gospel to those who have no financial resources? Every time I minister in Rwanda, I weep as I am told again of the atrocities and as I'm shown the mass graves where thousands of unnamed people are buried. By the Gospel, and through your generosity we can make a difference in this impoverished nation, and I believe you will help us. Blessings on you as you respond in love.
