Abundance of Healings in the USA!!

This lady got her breath back and began to breathe normally as Jesus healed her at South Dearborn High School in Aurora, IN. She ran around the inside of the auditorium as we cheered her on!

Since our last newsletter, we have done two healing festivals, a healing conference, and we have ministered in a number of churches here in the USA. We are pleased to report that Jesus is healing people here in America just like he does in Africa and India. For years, I would come back from India and Africa, testifying of the healings and miracles.

People would ask me, "Why don't we see healings and miracles like that here in the USA?" I have given several different answers to that question over the years. But now I say, "Jesus is healing and doing miracles here just like He does in Africa and India." At our recent healing festival in Aurora, IN, there were healings of injured knees, shortness of breath, MS, and skin lesions. People are responding to the perfect love of the Father and are coming forward to repent and call upon the name of Jesus! Another exciting development is that the saints are being equipped, and are doing the work of the ministry. At each of our festivals we do a training of the altar team workers. At the end of each service, these people lay their hands on the sick, and see them recover. It is amazing and exciting for me to watch this happen. We believe that the ministries of healing will continue as the work of the ministry continues in each city.

Here is what happens at the end of each meeting when the saints, who are equipped to do the work of the ministry, begin to do it as the people come forward for prayer.

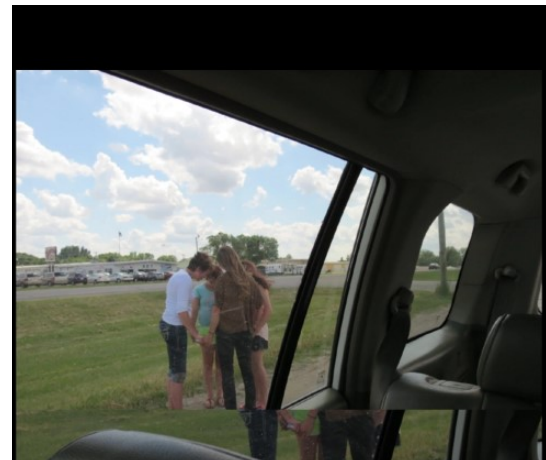

Treasure Hunting in Jamestown, ND

At each of our healing festivals, we conduct treasure hunts on Saturday and Sunday afternoons. In prayer, Holy Spirit gives clues to finding the people.

At left, our treasure hunters sharing the clues with a family

At right, praying with the treasures (people) that were found when our treasure hunters simply followed the clues given by the Holy Spirit

Testimonies of Healing in the USA!

At left, this man (yellow shirt) had such problems with his knees, he could barely walk. After his healing, he mowed three lawns in Escanaba, MI.

At right, Pastor Dale Hazard testifies of the healing of his feet, and charges the people to take the ministry of healing out into the streets in Augusta, WI.

At left, from Aurora, IN this young lady called her friend in Ohio, who was healed of MS right over the phone.

At right, Revivalist Dan Notley receives the testimony of Geraldine, visiting from New York, whose left wrist and thumb were healed from the pain of an accident.

Please Pray... Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

Geita, Tanzania

Our next overseas mission will be held in Geita, Tanzania. From September 2-6, 2015, this village in northwestern Tanzania will experience the power and glory of the Kingdom of God. We are expecting that many sick people will be healed; that the demonized will be delivered; and that many will confess Jesus as their Savior and Lord. I am asking you to pray and then act on giving a sacrificial gift to help make this mission possible. We are emboldened by the results we had in neighboring Burundi last March, when 3200 people came forward to repent and be forgiven of their sins. At that meeting, a woman was instantly healed of three things: malaria, deafness, and a broken arm. Everyone in the region wanted to see this woman after she was healed, so they came from all around, 22,000 in number on the last night. We believe similar or even greater things will happen in Geita in September. Your generous giving at this time will help make it possible. Blessings on you and your family in this season! This truly is a time of harvest across the earth! Matthew 24:14!!
