Thousands Saved in the Philippines!

Heart of the Father Ministries sent a team to the Camotes Islands of the Philippines on May 23 to June 1, 2019. The team of 20 Kingdom warriors was led by David Dewes from Chicago, IL. During the ten days of this mission, over 2000 people prayed to receive Jesus as their savior. During the medical part of the mission, 1163 people were treated for basic medical needs and minor surgeries. The doctors and nurses labored tirelessly along with 85 Philippine volunteers who were trained and equipped to lead people to Jesus. Each day, the Gospel was preached

by David Dewes and other team members in this great Kingdom advance. Thank you for your support of this mission.

Friday Night Fire at HOTFM Headquarters

Friday Night Fire continues at our USA headquarters, 405 Dana Ave So, Rush City, MN. At left, Dr David Nichols and Rev Peter Couper bring forth a powerful word on faith and unbelief. At right, the Collective ministers in leading worship. Friday Night Fire is held the last Friday of each month at 7pm.

The Kingdom of Heaven is at Hand!

When Jesus began His ministry in Matthew 4:17, He said, "Repent, for the Kingdom of Heaven is at hand!" Then in verse 23 we are told that Jesus healed all kinds of sickness and all kinds of disease among the people. One of the reasons we give these testimonies of healings and miracles is to exalt the name of Jesus. Another reason is that we want to reinforce Jesus' declaration that the Kingdom is indeed, at hand. In other words, it is right in front of you.

At left, Dr Nichols goes for a walk with this lady, who had sciatic nerve pain for years, now healed in Spring Valley, MN. At right, in Augusta, WI this man named Ron bends over to touch the floor with no pain. His back was totally healed by Jesus from severe problems and pain.

At left, Sherry Nichols ministers the Father's love to one of His daughters in Spring Valley, MN. At right, Kirby gives his testimony of being healed from exercise-induced asthma in our meeting in 2002. Here he is, 17 years later, still healed and enjoying life in Augusta, WI.

At left, this lady in Medford, WI had a healing in her hip and leg which lengthened her leg so that she took the spacer out of her shoe and walked normally. At right, this lady is turning her head to show the healing of her neck after much pain and discomfort.

Please Pray... Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

A Word for you about Trust, Faith, and Hope

Hebrews 13:8

Because Jesus is the same yesterday, today, and forever, we can be confident in trusting God, believing God and hoping in God. **Trust** puts us in correct relationship with the past, when we recall the great things He has done, and how faithful He has been. **Faith** puts us in correct relationship with the present. Now faith is the evidence of things hoped for...Hebrews 11:1. Faith is belief which results in action. **Hope** puts us in correct relationship with the future. We hope in a future filled with God's provision and gifts. We focus on Jesus' Second Coming, which is our *Blessed Hope* (Titus 2:13).

Each of these has an opposite which sends us in the wrong direction. The opposite of Trust is **doubt**, which wavers before the attack of the enemy, and gives way to **unbelief**, which is the opposite of Faith. When we lose Hope, we are led to its opposite, which is **despair**, and our hearts become sick (Proverbs 13:12). But we can overcome these opposites through Jesus, who does not change, past, present, or future. He has proven Himself completely reliable in every situation. Please give yourself to Him in **fresh surrender** today. Through it, victory is yours! *(This is a summary of a word delivered by Dr David Nichols and Rev Peter Couper on June 28, 2019.)*

Tanzania is calling, we are answering

One part of apostolic ministry is discerning God's dealing with nations in seasons of revival and restoration. We lived and ministered in such a season in India for about 15 years, visiting that nation dozens of times and seeing over 350,000 people respond to altar calls to receive Jesus. Now it is Tanzania that is experiencing a move of the Holy Spirit. I have spoken with several Christian leaders in the past several months and they all agree that this is God's time for Tanzania. Heart of the Father Ministries is moving in this revival flow. In July, David Dewes will lead a mission to a village in Tanzania. In August, Dr David Nichols will lead another team to Tanzania; this mission will include a healing festival near a major city, and a large pastor's conference where we will make a video recording of our Apostolic Training Institute in the Swahili language. Through the training of pastors and leaders, this will eventually give us access to the hundreds of millions in East Africa who speak this language. Would you prayerfully consider sending a substantial gift today to sow seed into the revival in Tanzania? (II Corinthians 9:6-11) Would you also make a commitment to pray for us regularly? Please use the form on the last page. God bless you richly!
