His Truth is Marching On!!

This man is testifying of his victory in Jesus in Mukwonago, WI on Pentecost Sunday, May 31, 2020

For twenty years now, we have travelled the world, preaching and teaching the Gospel of the Kingdom. For most of that time, if you said to me, "We need to reach thousands of people with the message of Jesus," I would say, "Yes, let's have some healing festivals in the USA and overseas." This would mean raising thousands

of dollars, having our faithful workers set things up, and preaching to crowds on the fields. But now we can't travel overseas due to the coronavirus. As you know, we have pivoted in our delivery of the Gospel to Facebook and Youtube. In one month alone, we reached 42,000 people with our Friday Night Fire meetings and our book of Acts daily teachings. Now we are doing the preparations for presenting some of the recordings of our past meetings in India and Africa. We are preparing to use technology to broadcast these declarations of salvation and healing into thousands of cell phones and tablets at once. We believe the harvest will be amazing.

Moving Forward with the Tanzania Mission

Our Tanzania Mission which was scheduled for June 2020 had to be rescheduled for the last week of August. Bishop Eugene Murisa will be in charge. He has recruited doctors and nurses locally for the medical ministry. A crusade on a field will follow, with many following Jesus.

Friday Night Fire In-Person!!

After three months of on-line only meetings, on June 26, 2020, we finally were able to meet together in-person for Friday Night Fire. We had an amazing time worshipping Jesus and blessing one another. Several words of knowledge for healing were given.

One was for healing of tooth pain. Samantha Couper (at left, daughter of Pete and Tammy Couper) received the word and was healed. Another young lady was brought to the meeting and was healed of a urinary tract infection when a word of knowledge was given for that ailment. At right, Dr David Nichols gives the altar call after preaching the Gospel on-line. FNF will return to our once a month format. We will post it on Facebook Live each time.

Healing Outbreak in Meadowlands, MN

At left, Pastor Lloyd Olds and Dr David Nichols minister to a lady who received a word of knowledge for pain under the skin. Jesus healed her. At right, this lady responded to a word of knowledge for problems in the eyes. When we prayed for her, the Lord revealed that her problem was cataracts, which only she and her doctor knew.

Please understand that the meetings listed below are subject to change due to the "stay at home" orders in the various States.

Please Pray... Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

What in the World is Going on?

At Heart of the Father Ministries, there is a verse that we live by. It is I John 4:18, "There is no fear in love; but perfect love casts out fear, because fear involves torment..." Two powers are in a mortal conflict with each other in our nation and in our world. They are faith and fear. These two are mutually exclusive, meaning that they cannot exist together in the same place, at the same time. Where faith is, fear cannot be. And likewise, where fear is, faith cannot be. So when interacting with our culture, and deciding what to believe, we need to ask which voices are leading us to faith, and which voices are leading us to fear. I have not yet watched one newscast about the coronavirus which caused me to have more faith. After watching these, I understand how many people have been led into fear by them. And fear is the major weapon of those who are attempting to cancel our culture. It is time for God's people to rise up in greater love for our nation and for our fellow man. When we get in tune with the perfect love that is coming down from heaven, we realize we have the weapon that drives out fear. When fear is driven out, the foundation for hatred is gone. When hatred is removed, racism reduces to nothing. I am not a racist because of the color of my skin. Neither are you. If anyone is a racist, it is because attitudes and thoughts of the heart (based in fear) become actions of hatred against people different than you. Do not be fooled by high-sounding phrases like "social justice" which are disguises for the Marxist search for an oppressed class to rise up against an establishment class. Then a revolution comes, ushering in utopia. This lie was tried in many nations during the last century. Every time, it resulted in more fear, not less, more senseless taking of human life, not less. Black lives do matter, but Karl Marx will not send you in the direction of faith. His teaching was, "religion is the opiate of the masses." Jesus is the One who is leading us to the Father. He said, "I will not leave you orphans, I will come to you." That direction is faith in the One who has the power to change a person from hatred to love, from fear to faith, from being dead in sin to being alive.

Seed Time and Harvest

In II Corinthians 9:10,11, the apostle Paul says, "Now may He who supplies seed to the sower, and bread for food, supply and multiply the seed you have sown and increase the fruits of your righteousness." We have been amazed at the ability of our living God to sustain us through troubled times. Through this last three months of almost no in-person meetings, we have had no lack. God has used people and situations to supply all our needs. Part of the reason for this is that Sherry and I constantly sow seeds (finances) into other ministries than our own. It is part of the joy of giving to see just how God will multiply a seed. It is a matter of putting yourself in alignment with the principles of God's Kingdom. I invite you to sow a seed today into the fertile soil of Heart of the Father Ministries. Please see page four.
