2300 Souls in Tanzania!

There is a power in the Gospel of the Lord Jesus Christ that cannot be contained or defeated. That power is the ability to change human lives from darkness to light,

from sin to salvation. We sent a team into Tanzania in June, under the leadership of David Dewes. They overcame many obstacles to present the Gospel of Jesus Christ to thousands in the village of Relini. During this amazing

trip, 2300 people repented of their sins and took Jesus as their Savior and Lord. In addition to the crusade, the team also ministered to 800 Tanzanian youth at a conference in the city of Mwanza. Another feature of this trip was the dedication of water wells in two other villages. These are places where the women search for ever-decreasing pond water in the dry season for their families' needs. These wells become a center of the village's life and activity. At one of the villages, during the dedication, our preacher proclaimed the Gospel from John chapter 4. He declared that the water from this well can satisfy your physical thirst, but living water is available, leading to eternal life. At the altar call, 200 repented and received Jesus as Savior. In the picture below, people are waving palm branches in celebration of the water, both physical and spiritual.

Jesus is Still Healing Today!

A word of knowledge was given for pain in the fingers. This lady went home without responding, but in the morning, she awoke with no pain, and here is testifying at Christian Way Fellowship

Revival in the Land!

Revival includes many different activities of the Holy Spirit. At The Church @ New Bern in New Bern, NC, many people received the joy of the Lord. As they were slain in the Spirit, some laughed, some cried, but all received a refreshing from the Lord. In his great work on revival, Jonathan Edwards says, "...there is also reason to think that such great outpouring of the Spirit was not wholly without those more extraordinary effects on persons' bodies. The jailer...came trembling, and fell down before Paul and Silas."

A Sampling of the Healings in Tanzania

A 6-month-old baby could not see, now healed by the name of Jesus. A six-year-old girl who was blind now sees. A woman who had to use crutches and canes for four years walked across the stage with no support. A tumor dissolved from the left side abdomen of a young woman. Another young woman was delivered from nightmares of people chasing her. A three-year-long condition of pain in the back, legs, and arms was completely healed. A woman had urinary tract infection many days, now completely healed. Another had chest pains for 2 years, now healed. You can view videos of these testimonies at www.heartofthefather.net.

The Fields Are White Unto Harvest

Below, the 6 year old girl who could not see now counts the fingers held up before her.

In John 4:35 Jesus says, "lift up your eyes and look at the fields, for they are already white for harvest!" We are harvesting souls wherever we go in ministry. I trust this issue of the newsletter has shown you that Tanzania is especially ripe for harvest now. We are planning to send another team there this fall. They will conduct a 5-day crusade that will cost \$5000, and they will dedicate a well that will cost \$9500. These wells become the site for a church building which can be built for \$5500. Would you prayerfully consider partnering with us to bring in this endtime harvest? Please use form on back.
