God is moving by His mighty power across the earth today! In the picture above you see the children of Kwarose. They are rejoicing and praising the Lord after praying to receive Jesus as their savior. Our own David Dewes led a team to Tanzania in June, 2023. They dedicated a well in a village called Mwabomba and conducted a crusade in a village named Kwarose. About 100 people prayed to receive Jesus at the well dedication, and about 1000 received salvation at Kwarose. There were many healings and deliverances.

## The King is Coming!

Heart of the Father Ministries will hold its annual Ministry Banquet at Redeeming Love Church, Maplewood, MN. The event will start at 6:30pm on Friday, September 15, 2023. We are excited to announce that our special speaker for the evening will be Rev Peter Couper, who now lives near Pittsburg, PA. At left is a picture of Peter preaching in Nyegezi, Tanzania with Bishop Eugene Murisa interpreting. Peter has served for seven years as Outreach Director for HOTFM. He has led ministry teams to Africa and India numerous times. You may register to attend the banquet using the form on page 4 or online at [www.heartofthefather.net](http://www.heartofthefather.net). The cost is \$15 per person which includes a delicious meal.

# God is Moving in Power in America!

As we travel around America, we are finding that people are hungry to experience the Presence of God. It is out of that *presence of who He is* that salvation, healing and deliverance come forth. The testimonies below clearly show that Jesus wants this Gospel of the Kingdom (Matthew 10:7,8) preached in America.

All the healings in this line of pics happened at Valley Harvest Church, Neenah, WI. At left, this man was healed in his fingers. Center, this lady had long term pain in her hips. She ran laps around the sanctuary. Right, this man was healed of carpal tunnel and easily plays bass.

We did healing over the cell phones at Life Church in Williston, ND. At left below, the lady on the phone had eight screws in her ankle and fused vertebrae due to an accident. During the prayer all the pain went out of her ankle and her back popped three times as she stood up healed. Center below, this lady called her friend who had painful trauma to her shoulder. The pain went to ZERO! Below right, this lady was estranged from her daughter for years. Dr Nichols delivered a prophetic word to her in the morning service. On the strength of that word, she went to her daughter's house. The daughter fell into her arms at the door! They are totally reconciled.

*Please Pray...* Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

# The Mission to Kigali, Rwanda

Please pray and believe with us as Dr David Nichols leads a team to Kigali, Rwanda from August 13-22. We will be meeting on a football field for five nights in this, the capital city of Rwanda. We invite your financial gifts to help make this soul-saving mission possible.

## Why Wells in Africa?

In this picture you see the pond that serves as water source for a village of hundreds of people, also animals as seen on left. Please help us put more wells in villages like this. Clean water prevents water-borne diseases. A bored deep well which will last for a generation costs \$8000.

## Friday Night Fire Will Resume on September 29

You are invited to join us as we restart Friday Night Fire on September 29 at 7:00pm at 405 S Dana Ave, Rush City, MN. There will be prayer, praise and worship, testimonies, and powerful teaching of the Word.

In II Corinthians 9:10,11 it says, “Now may He who supplies seed to the sower, and bread for food, supply and multiply the seed you have sown and increase the fruits of your righteousness, while you are enriched in everything for all liberality, which causes thanksgiving through us to God.” What an amazing promise: we sow seed (finances, see verses 6-9) and become enriched, not to hoard it to ourselves, but for more liberality. God’s Kingdom is one of abundance and prosperity. He has built this principle into nature itself, which is why we can be instructed by farmers putting their seed into the ground. Once this is done, with proper cultivation, we know that harvest is coming. We invite you to sow seed (finances) today. There will be a harvest of souls. Bless you!!
