Healing Outbreak in Florida!

Dr David Nichols and Pastor Timothy Coats releasing the healing declaration at Family First, Spring Hill, FL on January 9, 2022.

It was our privilege to lead a four-day healing conference at Family First in Spring Hill, FL on January 9-12, 2022. We knew it was going to be a special time when a lady came up to testify during the 8:30 am service.

She had a cracked kneecap that gave her a lot of trouble. Jesus healed her in that service as the pain and weakness went away! Many people were healed during the six services of those four days, including a lady whose knee was bone-on-bone. All the pain left her, and she slept through the night for the first time in months. For more testimonies and pictures, go to page 2.

Another Well in Tanzania!

Bishop Eugene Murisa helps hold a bucket of water that has just been drawn from our new well in Nyang'wale, Tanzania. Our team in Tanzania experienced some challenges in getting this well done, but they overcame them. As of the first week of January 2022, this well is making life much easier for the people of Nyang'wale and it gives them a daily example of the compassion of Jesus. We

are planning to dig three more wells in Tanzania this year, with a soul-saving crusade each time. With your help, we can get it done! See page 4.

Nationwide Healings over the Phones!

On January 12, 2022, we launched healing over the cellphones from Family First, Spring Hill, FL. In this form of healing ministry, we ask people to call someone who needs to be healed. Then I lead in a healing decree and prayer into the ears of the people over the phones. We ask the people to pray over their person also, after I have finished. Then we ask the callers to check with their person to see what's happening. Here it is:

The lady this man called was healed of a headache, three days in duration, which was symptom of her diagnosis of a serious disease in Tampa, FL.

This young lady is holding her phone and raising her hand because her mother's eyes were healed in Wisconsin

The person on the phone here is in South Carolina. She has just been healed of sciatic nerve pain! She immediately had us pray over another person there, whom we believe is healed.

Jesus is Healing in Minot, ND!

This young man was healed of two years of acute shoulder pain. Here he holds his son with his arm and shoulder to demonstrate his healing

This man's doctor report was that his ventricles were failing and causing other bodily problems. After five years of this, Jesus healed him and gave him joy.

Rev Peter Couper, Outreach Director of Heart of the Father Ministries, declaring the Word at River of Life Church in Minot, ND, pastored by Rev Corey Rice.

Please Pray. . . Call ahead to verify the times and places we will be ministering in the weeks ahead—come join us!

Deliverance Conference at Josiah Center

On December 11, 12, 2021 we led a Deliverance Conference at Josiah Center, Maplewood, MN, pastored by Dr David Carlson. I was helped mightily by Rev Lloyd Olds from Meadowlands, MN and Rev Peter Couper, Outreach Director of HOTFM. God moved in power, and also in teaching and exposition of the Word. Here are some testimonies from the conference.

This lady had a deep bruising to her right shoulder five years ago due to an car accident. Here she raises her arm to show her full range of motion.

This lady had such pain in her arm she could not pull up her covers at night. After healing, she realized she had no pain and could pull her covers easily.

At right, Rev Lloyd Olds brings a powerful practical teaching at the Deliverance Conference at Josiah Center, Maplewood, MN.

Seed Time and Harvest

In Genesis 8:22 it says, "While the earth remains, seed time and harvest, cold and heat, winter and summer, and day and night shall not cease." Certainly the initial reference here is to the physical earth. But the principle of sowing and reaping is found throughout Scripture. And we are issuing a call for you to ask the Lord if you should sow financially and how much. Right now we stand before the year 2022 with three missions to Tanzania in clear focus; one in April, one in June, and one in September. Each of these trips will feature an open-air crusade, a pastors' conference, and the dedication of at least one well. The cost of each of these trips is \$20,000. The Lord of the harvest (Matthew 9:37) has opened to us the ministry of providing water wells in villages that have no fresh water source. This is a reality of life that we so often take for granted, but for many people in third world nations, it is a 3-5 hour undertaking just to gather water for that day's use. Thank you for sowing into this harvest.
