Jesus Loves India!

The best way to describe our mission to India in December is SUPERNATURAL! We started with preaching in three different churches on Sunday, and in these services more than 100 people were instantly healed. We preached in two outdoor crusades where every hand was raised asking Jesus to be their Savior and Lord and where over 100 people were instantly healed! As you see in the picture above, hundreds came to Jesus. Our team also ministered at an orphanage where 30 children asked Jesus to be their Savior and Lord and asked to be baptized. Truly the Lord is moving powerfully in India!

George Washington's Prayer

“ I now make it my earnest prayer, that God would have the United States in his holy protection, that he would incline the hearts of the Citizens to cultivate a spirit of subordination and obedience to Government, to entertain a brotherly affection and love for one another, for their fellow citizens of the United States at large, and particularly for their brethren who have served in the Field, and finally, that he would most graciously be pleased to dispose us all, to do Justice, to love mercy, and to demean ourselves with that Charity, humility and pacific temper of mind, which were the Characteristicks of the Devine Author of our blessed Religion, and without an humble imitation of whose example in these things, we can never hope to be a happy Nation. Amen

Deconstructing the Manger Scene

In the weeks leading up to Christmas, it was my privilege to minister in several churches by teaching what really happened in the events surrounding Jesus' birth.

So we joyfully unpacked the meaning of the shepherds, the wise men, the swaddling clothes, and the manger itself. In each of these services, people were healed by the power of God, others saved for the first time, and others came back to the love of the Father.

The Needs are Great, but God is Greater

Here at Heart of the Father Ministries, we had an amazing year of 2024. By God's grace, we were able to place fresh water wells in four villages. We also conducted four healing festivals, with thousands being saved. Here at home, we ministered in dozens of meetings in nine states, seeing hundreds saved, healed, and delivered. We were also able to expand the ministry into Kenya and Pakistan for the first time. As we have sought the Lord, we believe 2025 will be even greater. We are planning to place at least six wells in villages, and do at least four more festivals, with thousands being saved and healed. At the same time, new doors of ministry are opening here in the USA, as well. As you know, all this takes financial

resources. One of the ways that God shows that He is greater than every need is by using people to meet those needs. I believe you may be such a person. If you believe that also, would you join in partnership with us for Kingdom advance in 2025? Your giving can make an amazing difference. Please use the
